

What Ecosystem Indicators Do We Need?

Overview

- **Ecosystems**
 - **Multiple Systems**
 - Forests, Streams, Rangelands, Lakes, Estuaries, etc.
 - **Multiple Scales**
 - Spatial and Temporal
- **Condition**
 - **Ecological Integrity**
 - Biological, Physical, and Chemical Components
- **Stressors Affecting Condition**

Presentations

- ***Indicators for Stream Ecology***
Roger Blair, PhD
U.S. Environmental Protection Agency
- ***Landscape Level Indicators***
Douglas M. Muchoney, PhD
U.S. Geological Survey
- ***Indicators of Sustainable Rangeland Systems***
Lori Hiding
Ecological Society of America
